

ATTACHMENT 5

Honorable Board of Supervisors,

January 26, 2004

This letter is in addition to our withdrawal request.

My parents, Halpe and Janice Traub left their farm to my husband and myself with everyone believing that you would be moving to it when my husband retired within five or six years. We were very much looking forward to living in Tuquer County again and we have had this property in our name since January of 2000. But life is not always kind and you don't always get what you want. Our twenty five year old son was killed suddenly on July 20, 2002. Due to this you knew that we could not move away from here ever. Believe me this was not an easy choice.

So we made the decision to sell the forty four acres in two sections and no less than that hoping to give a couple of home owners the pleasure of that piece of property. We were unaware of the restrictions and therefore proceeded with the survey ~~and~~ ~~because the deed appeared to be correct~~ ~~and~~ ~~the~~ ~~same~~ ~~deed~~ ~~was~~ ~~done~~ ~~as~~ ~~well~~. We would not have proceeded with these two items if we had known about having to get the withdrawal request. We will be out the cost of the perc test and survey unless you authorize this withdrawal request, so we are kindly asking if you won't consider our request.

Sincerely,
Mr. and Mrs. Richard Grandy Sr.
